AUSTRALIAN LIVESTOCK SPATIAL INNOVATION PROGRAM

Feedback Form

Thank you for taking the time to consider partnering on the Australian Livestock Spatial Innovation Program. We are seeking feedback, interest levels and estimated co-investment from livestock industry, government and research partners to support a bid to the federal government to fund a five-to-seven- year program.

Please take some time to fill out this feedback form to allow us to shape the direction of the program bid, and allow us to determine the number and type of partners, and an indicative co-investment level.
